

a few thousand soldiers across the icy waters in the midst of a driving snowstorm. Most generals would not have taken such a risk. But the commitment of Washington and his men was absolute. They headed into battle with a bold password, "Victory or death."

In a matter of hours, victory was theirs. Morale immediately improved. And the American people began to believe that our Nation possessed the perseverance and courage to protect our liberty. The turnaround that began that night would end with the United States' triumph in the American Revolution and the permanent establishment of a free nation.

Two hundred and thirty-two years have passed since George Washington crossed the Delaware. But on this Christmas, his legacy lives on in the men and women of the United States military. Some of them are spending this holiday helping defend emerging democracies like Iraq and Afghanistan. Others are spending it in lands where we defeated tyranny long ago, such as Germany or Japan. And some of them are spending it stateside, recovering in places like Bethesda National Naval Medical Center or Walter Reed.

Regardless of where they are, our men and women in uniform and the families who support them remind us of a clear lesson: Defending freedom is a full-time job. Our enemies do not take holidays. So the members of our Armed Forces stand ready to protect our freedom at any hour. For their service, they have the thanks of a grateful nation, this Christmas and always.

Thank you for listening.

NOTE: The address was recorded at 7:50 a.m. on December 23 in the Cabinet Room at the White House for broadcast at 10:06 a.m. on December 27. The transcript was made available by the Office of the Press Secretary on December 23. The Office of the Press Secretary also released a Spanish language transcript of this address.

Message on the Observance of Kwanzaa 2008

December 24, 2008

I send greetings to those observing Kwanzaa.

Kwanzaa is the celebration of African culture, community, and family traditions. For more than 40 years, millions of people have come together to reaffirm Nguzo Saba, the Seven Principles of Kwanzaa. These principles emphasize unity, self-determination, collective work and responsibility, cooperative economics, purpose, creativity, and faith.

As people across our country gather to commemorate this seven-day celebration, may we all be reminded that Kwanzaa is an opportunity to celebrate the many contributions of our African American citizens.

Laura and I send our best wishes for a joyous Kwanzaa.

George W. Bush
